The Bombardier Learjet 45 aircraft flies faster and farther – with more passengers – than any other corporate aircraft in its class. It offers easy handling characteristics, superior comfort, enhanced fuel efficiency, and outstanding reliability and maintainability. As the only aircraft in its class certified by both the U.S. Federal Aviation Administration (FAA) and European Joint Aviation Authorities (JAA), the Learjet 45 business jet offers the latest systems software and architecture to minimize pilot and maintenance workload.
