

BOMBARDIER GLOBAL 5000

Providing the widest and most spacious cabin among super-large business jets, the powerful, versatile Bombardier® Global 5000® offers an impressive combination of speed and performance plus unprecedented cabin productivity. With its extraordinary short-field performance and transcontinental range, this super-large jet can carry world leaders to more places faster than any other in its class. All in the luxury of corporate aviation's most comfortable and 'business connected' cabin.

- Faster and more short-field capable than any other in its class
- Cabin that leads all others in space, luxury and productivity
- Innovative flight deck environment combines cutting-edge technology and advanced design
